Re: Medical Director's Award

Dear Award Recipient,

The Monroe County PSRO Committee is very pleased to inform you that you have been selected as a recipient of the Medical Director's Award for the second quarter of 2025.. Your actions on the evening of November 29, 2024, during the varsity basketball game between Jefferson and Summerfield High Schools, exemplify the highest standards of emergency response and teamwork.

When referee Doug Sanders collapsed and was found to be pulseless and not breathing, you were among the many individuals who acted swiftly and selflessly. From initiating CPR, retrieving and applying the AED, to clearing the gymnasium, coordinating with dispatch, and ultimately providing life-saving interventions, your calm, skilled response directly contributed to Mr. Sanders regaining consciousness and making a full recovery. This event was a remarkable demonstration of interagency coordination between school staff, fire departments, dispatch, hospital personnel, and EMS, showcasing what is possible when a community comes together in a moment of crisis.

On behalf of the PSRO Committee, I want to congratulate you on a job exceptionally well done. If you are available, we would like to present your award at the next Emergency Medical Authority Meeting scheduled for Wednesday, May 28th, 2025 at 6:00 p.m. at the Monroe County Courthouse Board of Commissioners chambers. Please let us know if you will be able to accept this award in person and feel free to bring loved ones to share in this recognition. Congratulations once again on this well-deserved honor.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Daniel Kemple, MD', with a stylized flourish at the end.
