X. OLD BUSINESS—

1. EMA-MCA Agreement Update

Chairman Brown stated this is still ongoing. Mr. Brown explained this will take a while since he wants to make sure everything is being captured so it could possibly not be completed until next year. Stated he wants to do it right and will keep everyone updated. They also have another meeting with the hospital coming up in a couple weeks. Explained they have had communication with the president at the hospital so he is pleased with that.

XI. NEW BUSINESS—

1. Update by MCA—Karl Rock gave the report

- There have been staffing improvements, hired several EMT's to backfill positions, and hired former paramedic (held an advanced role within the organization).
- Next week is the Monroe County Fair, units of ours will be there all day long.

- This year they are going to try augmenting some of the concert response, perhaps with a cooling station.
- Heat casualties tend to be one of the biggest challenges at the Fair.
- Hired a director for fund development, Travis Foster.
- Mr. Foster is planning on coming to the meeting in the fall to introduce himself.

2. Bedford Township Fire Department Transport Reports

Chief Vanklingeren had nothing to report.

2. Medical Control Board Report – Dr. Kemple gave report

- Updates for the enhanced paramedics

 - MCA is training its medics on these new medications currently
 - The live date is September 1, 2025
 - These medications are inner facility, not 911 medications.
- Protocols
 - Behavioral Health Protocol was approved by the QATF, we are waiting on final approval from MDHHS
 - About 25-30 Updated Protocols coming up
 - Plan to have protocols out in 1-2 weeks and voted on at next MCA Meeting in September
 - EFD has made it when someone takes a call, it is either a fire route or the medical route instead of all calls going to medical.
 - 1,000+ priorities to go through (taking lock out off-no reason to send everyone to a lockout)
 - Work with dispatch to work the bugs out

3. Monroe County Fire Chief's Report

Vice- Chairman R.J. Schall explained they had a meeting last week and there are fifteen (15) Fire Departments covering seven (7) days for the Monroe County Fair.

Bruce Kral asked if the Fire Chief's Association discussed the EFD at their meeting.

Vice-Chairman R.J. Schall stated it was told to the Chiefs that this was what Dispatch was going to. We are in approval for this because it is asking questions that would usually be winged. It forces dispatchers to dispatch the call prior to asking additional questions so resources can get that out as they're on their way. There are bugs being worked out still and we are hoping to have it figured out soon. It is more of a safety standpoint of making sure the dispatcher knows the right questions to ask for fire calls.

Motion by Michael Demski, supported by Sara Kandler to accept the Operations Committee Report, Medical Control Report, and Fire Chiefs Association Report as referenced above and place them on file.

Voice vote taken. Motion carried.

XIII. PUBLIC COMMENT – None

XIV. OTHER ITEMS FROM MEMBERS—

David Brown thanked Deputy Clerk, Grace Miles, for all her help in keeping them going.
